

FWF Data Management Plan Template (DMP)

	Data Officer/r	Gerald Weber e0125535@student.tuwien.ac.at
I	Data Characteristics	
I.1	Description of the data	<p><i>Dataset Fremont Bridge Data:</i></p> <p>Description: structured relational data, 56.9K rows, 3 columns</p> <p>Format: CSV</p> <p>Number of files: 1</p> <p>Total Dataset size: 0.001597 GB</p> <p>Data Generation: Data collected by sensor on the Fremont Bridge for the East/West pathway</p> <p>Structure of the Data: The contained columns are Date/Time, East pathway count and west pathway count.</p> <p>Data Versioning: The data provided will not change, therefore no versioning is applied.</p> <p>Target Audience: Everyone interested in the usage patterns of Fremont Bridge.</p>
II	Documentation and Metadata	

II.1	Metadata standards	<i>Dataset Fremont Bridge Data:</i> Dublin Core metadata is supplied with the dataset in metadata.xml
II.2	Documentation of data	<i>Dataset Fremont Bridge Data:</i> FAIR: Data is stored in CSV format allows high interoperability as well as accessibility and re-use. Storage on Zenodo provides easy findability. Machine-Readable: Nein
II.3	Data quality control	<i>Dataset Fremont Bridge Data:</i> Hash value of the data is provided to identify further changes.
III	Data Availability and Storage	
III.1	Data sharing strategy	<i>Dataset Fremont Bridge Data:</i> Repository: Zenodo Data Availability Start: 1. Juli 2019
III.2	Data storage strategy	<i>Dataset Fremont Bridge Data:</i> Long-Term Preservation: Ja Data Storage During the Research: Zenodo Repository Arrangements: Zenodo Non-Personnel Archival Costs: 0 EUR Personnel Archival Costs: 0 EUR Duration of Data Storage Unendlich Data Storage Date: 1. Juli 2019 Data Sharing Issues: Nein
IV	Legal and Ethical Aspects	

IV.1	Legal Aspects	Legal Barriers for Accessibility: Nein <i>Dataset Fremont Bridge Data:</i> Data Sharing: Via Zenodo Keine Bedingungen License of Data Sharing: Der Code wird unter folgender Lizenz veröffentlicht: public domain
IV.2	Ethical Aspects	<i>Dataset Fremont Bridge Data:</i> Personal Data: Nein Other Ethical Data Issues: Nein Handling of Sensitive Data: no sensible data in the dataset
